Zine Submissions Now Open!

Deadline - (31/03/2022)

It's that time of year, it is time for Zine submissions! For those unaware, the Zine is the anime society's annual magazine written by you, the members! Every article in the Zine will be produced by a member of the Anime Society and I will be the one editing and collating all of these articles into a physical print format. If you're unsure of what kind of things to talk about or how to format your article, then head on over to <https://www.nottsanime.co.uk/archives> where you can see all previous editions of the Zine in pdf format. The deadline for submissions is the 31st of March but if you could get your articles in before that, things would be a lot easier. To submit an article, contact me either on Discord (BlitzNexus#8734) or via e-mail (psymf8@nottingham.ac.uk). Don't miss the chance to put your name in Anime Society history! This announcement is going to be at the start of every Newsletter until the deadline.

Kahoot Quiz Night

B46 Trent Building - (19/02/2022)

(This event was originally going to be on the 12th but has has been delayed to the 19th due to room booking issues). This Saturday we will be hosting a Kahoot Quiz Night in B46 Trent Building. As with the regular quiz night back in first semester, the committee will be bringing in a kahoot quiz with at least one round contributed by each committee member. However, as a kahoot quiz can be done much faster than a normal quiz, after the committee's quiz we encourage you to bring your own anime-related quizzes in! We should be able to do all of them in the time, we'll be there for around 2 hours most likely, so get working on your own quizzes to bring in!

Anime Monday Session

A41 Clive Granger Building - (21/02/2022)

Last week we had our Valentine's Day session that was filled with romance anime and even a confession scene in Bakemonogatari! Here's the rundown: (14/02/2022):

We watched:

Episodes 4 & 5 of Bakemonogatari

Episode 1 of Fruits Basket (2019)

Episode 1 of Chuunibyou demo Koi ga Shitai

Episode 1 of School Rumble

The next session will be back to normal so bring in whatever anime you want - whether it be Romance or otherwise!

Wednesday Manga Book Club

A41 Clive Granger Building - (23/02/2022)

I won't comment too much on the discussion of last session as due to having other things on I wasn't present, but the group discussed the late 1970's manga **Captain Harlock** however it seems to have failed to deliver on its promising start with an average rating by the group of just **5.8**. The manga for the next session on the 23rd will be the first **8 chapters** of **Hoshi no Samadare** or Lucifer and the Biscuit Hammer. This is an action/comedy seinen series with

apparently quite the cult following, from the title it sounds like quite a chill read, so if you're interested in reading it and giving your thoughts, be they positive or negative, get through the first 8 chapters and make your way to A41 on the 23rd to discuss it (there's also free snacks usually).

Gunbusters Night

A41 Clive Granger Building - (02/03/2022)

The Wednesday after the coming Manga Book Club we will be hosting an event where we will sit down and watch all 6 of the **Gunbuster** Episodes! For those unaware, Gunbusters is a short OVA series about war in space produced by Gainax (the evangelion studio). I don't know much else about it as I haven't watched it myself, but if war, space or shounen interest you then maybe come down on the 2nd of March to check it out!

That's all for the Newsletter! Have a wonderful weekend everyone!
