Hello Anime Society members! This is the Newsletter for the 26th of November 2021. Firstly a very important announcement regarding Otaku Link and the christmas dinner, and then a run-down of events as usual -

## **Otaku Link (28/11/2021) - Old Bell Hotel, Derby**

An unfortunate announcement regarding this event - unless you purchased a ticket online in advance **you will not be able to attend the Otaku Link event**. This is due to them underestimated the numbers and not having enough room for any on-the-door ticket sales. It's rather unfortunate and they've apologised for the inconvenience. Hopefully they will run another event like this in the near future.

## **Christmas Dinner - (9/12/2021) - 7:00pm Rose & Crown Pub**

The Christmas dinner tickets are now sold out! Just a reminder that it will start at **7:00pm on Thursday the 9th of December**.

## **Anime Monday Sessions (22/11/2021- 29/11/2021) - 7pm A41 Clive Granger Building**

Initial D and Daily Lives of High School Boys returned this session, with a much different show to end off the session. Good to see that turn-out, even this late into the semester, is

still pretty great! Just a reminder that next week and the week after we will be watching **3 Episodes of Samurai Champloo** so there will only be 2 voted in series (one most likely being Initial D). Anyways, here's the rundown of the last session (22/11/2021):

**We watched:**

**Episodes 14 & 15 of Samurai Champloo**

**Episode 5 of Initial D: First Stage**

**Episode 2 of Daily Lives of High School Boys**

**Episode 1 of Highschool DxD**

Banned for this semester due to not getting in after 3 suggestions:

**Jujutsu Kaisen**

**Binbougami ga!**

We finally got the end of the first major race in Initial D, the ending of an important multi-episode arc for Mugen in Champloo and.... well we got Highschool DxD. Unfortunately, unless something very strange happens and Initial D actually loses next week, neither Daily Lives of High School Boys or Highschool DxD will be returning next week due to the rule requiring at least 1 new series per week.

## **Wednesday Manga Book Club (1/12/2021) - 7pm A41 Clive Granger Building**

Last Wednesday we had our 4th session of Manga Book Club where we discussed **Law of Ueki**, a battle shounen about a boy turning trash into trees. While we all liked the concept and thought the series had potential, a weak 1st volume left a slightly disappointing impression and the group's average score for the 1st volume was a modest **5.41**. For the next session on the 1st of December we will be reading **Sousou no Frieren**, a manga exploring what it's like in an isekai world after you've done the ultimate isekai goal of killing the demon king. What is your purpose, and for our elven main character, how do you spend the rest of your very long lifetime? It's only 1 volume, so give it a shot and if you enjoyed it, send your favourite panel over to Joe (@BensMB#5542 on the discord) and come on down to A41 Clive Granger on the 1st (if you didn't like it, come as well! all opinions are welcome!).

# No Game No Life: Zero Screening (8/12/2021) – 7pm A41 Clive Granger Building

On the **8th of December**, our last non-manga book club Wednesday event of the year, we will be hosting a movie screening of **No Game No Life: Zero** in **A41 Clive Granger Building at 7pm**. This is definitely in my top 10 for anime movies, it's a great movie following Schwi and Riku on their journey across a war-torn fantasy land, it links in really well with the original No Game No Life series, however no prior knowledge is technically required as this movie is a prequel to the events of No Game No Life.

That is all for this week's Newsletter, hope you all have a great weekend!
