Hello Anime Society members! This is the Newsletter for the 5th of November 2021. I'll start with a run-down of our regular events and information you'll need to know if you weren't there and then the end of the Newsletter will discuss our upcoming events -

## **Anime Monday Sessions (01/11/2021-08/11/2021)**

Once again great to see the consistently high turnout for our Monday sessions! Here's the important information you need to know from the last Monday session (01/11/2021):

### **We watched:**

**Episodes 8 & 9 of Samurai Champloo**

**Episode 1 of Wotaku ni Koi wa Muzukashii (Wotakoi: Love Is Hard for Otaku)**

**Episode 2 of Initial D: First Stage**

**Episode 1 of Kono Subarashii Sekai ni Shikufuku wo! (Konosuba)**

Banned for this semester due to not getting in after 3 suggestions:

**Jujutsu Kaisen**

It seems rather likely that Initial D might become our unofficial second set series, so I'd recommend catching up on that as well as Samurai Champloo if you missed the last session! The next session will be on the 8th of November, in A41 as always!

## **Wednesday Manga Book Club (03/11/2021) - (17/11/2021)**

While we missed Halloween by a couple of days, at last Manga Book Club (03/11/2021) we discussed a part-creepy part-slice of life manga known as **Kuro!** Our collective rating for it was 7.29 and given it is quite short, its definitely worth a read! For the next session in 2 weeks' time (17/11/2021) we will be reading Volume 1 (Chapters 1-8) of **The Law of Ueki**. Moving away from our tendency for slice of life in previous weeks, this is a shounen manga about a guy who can turn trash into trees! It's only 1 volume, so give it a shot and if you enjoyed it, send your favourite panel over to Joe (@BensMB#5542 on the discord) and come on down to A41 Clive Granger on the 17th (if you didn't like it, come as well! all opinions are welcome!).

## **90's Anime Night (10/11/2021)**

On Wednesday the 10th of November we will be hosting a 90's anime night in A41 Clive Granger Building. If you aren't too experienced with this era of anime then this is a great opportunity to experience some 90's classics hand-picked by the committee (don't worry, we won't just show you Yu Gi-Oh and Pokemon). This is also the theme for this week's Newsletter banner, and some of the anime in the banner may or may not be shown on Wednesday! If you're interested in this era of anime or just want to experience something new, make your way to A41 Clive Granger on Wednesday the 10th of November!

## **Anime Binge Night (20/11/2021)**

Last but certainly not least, we will be having an anime binge night on Saturday the 20th of November! What we'll be doing is on the tin - we will be sitting down in a room that is currently to be decided, likely a room in Portland or Trent, and watching an anime right the way until the end! The anime we will be watching is **Flip Flappers**, I haven't seen the show before so while I could just read off the MAL description to you, I'm sure you're perfectly capable of doing that yourself. Regardless, I've been told it's a great show and it'll be an interesting watch. There will be a 1 hour lunch break halfway through and you're allowed to bring snacks and drinks of your own, just make sure you bin them afterwards!

That is all for this week's Newsletter, the formatting for this may continue to change over the next few weeks until I'm satisfied with it - but I hope it's at least readable this time (apologies for last week).
